Mudflaps Features / Paçalık Özellikleri

Flat surface mud flaps are produced as sheets. It is cut in the desired dimensions and made suitable for the vehicle. Glossy foil coating is made on the PVC mud flaps. Company advertisements or pictures can be printed on it by screen printing technique. A separate layer is added between the mud flaps to increase strength.

Düz yüzeyli paçalıklarımız levha olarak üretilmektedir, istenilen ölçülerde kesilerek araca uygun hale getirilir. PVC paçalıkların üzerine parlak folyo kaplama yapılarak paçalığın görseelliği üst düzeye çıkarılır. Serigrafi tekniği ile firma reklamları veya resimler uzun yıllar paçalık üzerinde silinmeden kalacak şekilde basılır. Ayrıca paçalığın mukavemetini arttırmak için paçalığın arasına ayrı bir katman daha eklenebilir.
